

MANASSAS REGIONAL AIRPORT

Commercial Operating Permit

Application for Renewal

This application can only be used to renew an existing Commercial Operating Permit (COP) that was issued by the Airport Director and under the following conditions:

1. The applicant's business operations or location have not changed since the original COP was issued.
 2. There have been no changes in the information provided on the original application for a COP.
 3. The applicant's COP has not expired or has not been revoked or suspended by the Airport Director in the last sixty (60) days.
 4. It has been less than five (5) years since the original COP was issued.
-
